

Virginia Mustangs Baseball Club

Federal Non-profit Tax ID: 74-3098154

The Virginia Mustangs Baseball Club is a Non-Profit organization promoting amateur baseball for youth in the greater Fredericksburg area. The Mustangs are an AAU and USSSA registered team. The team will play locally in the Fredericksburg community, including the Rappahannock YMCA Youth League. The Mustangs will also participate in various tournaments throughout the state of Virginia, including the Virginia State AAU & USSSA Championship Tournaments, and outside the state at selected National Tournaments for which the team qualifies.

The Mustangs 2003-2004 season budget is approximately \$18,000, which covers field and facility rentals, training costs, league and tournament entry fees, equipment, umpire costs, and uniforms. Tax free donations from businesses like yours are one way in which we raise money to reach these goals. The Mustangs participate in fundraisers such as, but not limited to, selling pizzas, cookie dough, and doughnuts; and organizing yard sales and car washes. Still, without the support of local community businesses we would be unable to meet the financial requirements to provide the Mustangs youth with the quality baseball program desired.

The Virginia Mustangs thank you for your support! Your contribution will make the 2003-2004 baseball season a success for this fine group of youths representing the greater Fredericksburg area.
